AMENDMENTS TO THE SPECIFICATION

Kindly replace paragraph [0022] of the Published Application with the following paragraph:

-- [0022] For clarity, Fig. 3 shows the output of selector 33 as a CONFIG signal controlling the operation of switches 35, 36 and 37. If the original operating system for current game 32 was other than native operating system 28, switch 35 may direct the output of input mapper to the selected OS emulator 36, ~~switch 36~~switch 38 may direct the output of current game 32 to the selected OS emulator 36 and switch 37 may direct the output of the selected OS emulator 36 to native operating system 28.--

Kindly replace paragraph [0023] of the Published Application with the following paragraph:

--[0023] If the original operating system for current game 32 was native operating system 28, then switch 35 may direct the output of input mapper to current game 32. ~~Switch 36~~Switch 38 may direct the output of current game 32 to native operating system 28 and switch 37 may disconnect the OS emulators 36.—
